SIR:

REMARKS

This is in response to an Office action dated 2/14/2006, where a FINAL rejection is lodged based, effectively, on the assertion that the declaration is defective. Applicants respectfully traverse.

The Detailed Action raises three issues:

1. The declaration is defective because it does not include a statement that the person signing the declaration "has reviewed and understands the contents of the specification **including the claims**" (emphasis in the Examiner's original statement).

Response: Factually, that is incorrect. At page 2, lines 2-4, of the Declaration filed September 9, 2004 it states

We hereby state that we have reviewed and understand the contents of the above-identified application, **including the claims as amended or added to by the preliminary amendment.** (emphasis supplied)

Thus, contrary to the Examiner's statement, the Declaration DOES a reference to the claims as well as to the specification.
